BERLIOZ

Berlioz's design is a harmonious blend of boldness and sophistication. It's a sofa that doesn't shy away from making a statement but does so with an air of refinement that only true elegance can offer. Its prominent, plush pads capture the eye, inviting you to experience unparalleled comfort. Whether adorning a chic, modern living space or adding a contemporary edge to a classic setting, Berlioz is a celebration of Espandia's dedication to design that moves, touches, and inspires.
