MOSS

Moss Sofa is an elegant centerpiece of Espandia's debut collection, where contemporary design meets the warmth of timeless comfort. Crafted with meticulous attention to detail, it embodies the natural elegance of its namesake. Draped in the sumptuous textures of corduroy, each curve and line is designed to support and embrace, providing a soft landing at the end of your day. The Moss's deep, inviting cushions and gently yielding armrests are perched atop slender, understated legs, giving the piece a floating appearance as if it's a cloud set against the skyline of your living space.
